STAR-SPANGLED FANNY

Crikey *MensWorld*, that was quite the cavalcade of American pornstars you featured in Volume 22 Issue 10. Being a huge fan of the babes from across-the-pond, I didn't know which one to turn to first. For the record, I went for the cover girl, Alexis Texas, who looked absolutely fantastic with her pouting lips and big boobs, although I would've perhaps liked her to start the spread with more clothes on – but that's just a personal preference of mine.

Jenaveve Jolie looked as hot as always, and the shots of Sunny Leone with her Model Behaviour story – which I think might've been made up? – made for stimulating viewing. I saved Ashlynn Brooke until last, as I think that out of the four she's my favourite.

Anyway, please keep the American pornstars coming, and a swift return for the truly delightful Ashlynn would be very much appreciated!

Marcus, Email

It's funny Marcus you know, because the pornstars from the US tend to really divide our readers. We, like you, think that some of the hottest girls on the planet, such as Ashlynn, Sunny, Jenaveve and Alexis, are plying their trade in the American adult industry, but we occasionally get letters complaining about how the yank girls are fake and so on.

Of course, we try to avoid the pornstars with really crazy plastic boobs, but surely you can't say that babes like the four we featured in MensWorld Volume 22 Issue 11 look fake? We would appreciate your feedback!

Oh, and before we forget, of course the Sunny Leone story wasn't made up you cheeky bugger! She's a personal friend!

NAT'S MY GIRL

I've been buying *MensWorld* for around 12 years now, as I like the variety of girls that the magazine features. Indeed, it's the only title on the top-shelf that doesn't go for one particular type of model.

I know many men go for a certain sort of girl, and will buy based on their individual preferences, but I'm quite transient in my tastes, and I can never really tell which models will give me a boner until I'm actually sat there looking at them on the page. A bit strange perhaps, but true.

To be honest, I wouldn't usually bother writing in to the magazine, but I just wanted to compliment you on Volume 22 Issue 10, which I think had the best range of girls that I've ever seen in *MensWorld*. Natasha (even amongst those pornstars she was the hottest blonde) and Mia were my two particular favourites, and I'd love to see them back in a future issue. I also read the 'Batman & Nobbin' feature with interest. Is nothing sacred with these porno parodies? It'll be *Star Wars XXX* next – if they haven't already done it!

Colin, Exeter

Thanks for your kind comments, Colin! As we've mentioned before in previous issues, we do like to get a great spread – for want of a better word – of girls in MensWorld, and we're happy that you think we're doing a good job in that respect. We agree with you on the porno parody front, it is getting a bit silly now. Funnily enough, the Star Wars XXX movie is all set to be released in the States as I write. I wonder what they'll do with those light sabres?

COUCH TRIP

I thought I was a bit weird for looking at the backgrounds in the shoots in *MensWorld*, and I felt a much better after you wrote about the couch that featured the Lilliane set in Volume 22 Issue 11.

When I've looked at the girls a few times, I always find myself leafing through the magazine and looking at the furniture and setting and so on.

Sometimes I'll spot a weird ornament on a shelf or something, and every now and again I'll recognise a room or vase that I've seen before – not very interesting as such, but it obviously interests me! Are there any other readers out there who take as much notice of the sets? Obviously you guys who work on the magazine do, and yes, you were right about that couch – it was bloody shabby!
Nicolas, Swindon

No, of course it's not weird to have a look at the backgrounds. Well, not very. Personally, we like it when a snapper makes an effort, or puts strange objects around the place, but we're always critical of those who use crappy furniture that looks as though it's been found in a canal, and photographers who shoot in the same places all the time. You know, like some fancy pad in LA – not that we're jealous or anything!

ALANAH

PHOTOGRAPHY: EXPOSUREZONE

Sexy American pornstar Alanah Rae is famous in particular for two things – her love of eating popcorn direct from the machine, and her passion for pouring neat gin all over her sexy body.

Of course, I'm joking. Well, I was trying to, anyway. In reality Alanah is famous for her big tits – a wondrous pair of 34DD funbags that could knock out a fully-grown antelope given the correct angle and propulsion.

Now I don't know what it is about this particular issue of *MensWorld*, but it seems to be crammed with girls who have slightly unusual backgrounds and interests. Alanah's quirk is that she's a self-confessed exhibitionist.

Okay, so you'd probably guessed that already considering she's getting naked in a magazine, but Alanah takes it further than most models. She genuinely loves having sex in situations where she might get caught, and enjoys sucking cock in places such as cinemas, or giving what she terms as 'road head', where she's in the passenger seat and the bloke is driving – dangerous, but true. We'd settle for a titwank in a lay-by. Equally enjoyable and much safer, too…

DOUBLE IN THE BUBBLE!

Forget cocktail hour – all I need waiting for me when I get home after a long day's work is a stiff cock. And most times that's exactly what I get from my boyfriend, Neal.

One recent Friday, I got back after a really shitty day at work. I'd called from my office to tell Neal to be hard and ready for me, but I found him on the sofa, watching telly. He told me to go upstairs and get naked, that he'd join me when the programme had finished.

I was so mad at him – well, for about the next ten seconds anyway! Stomping into the bedroom I found Ben, his fittest mate, sprawled naked on the bed stroking his hard-on. He was rock solid so I just stripped naked, dove on the bed and wrapped my mouth around it.

"Less stressed now, sweetheart?" Neal asked, fingering my arse-crack from behind. I let Ben's groans answer that one for me, as I slurped and moaned around his meat. Now Neal was licking me, sucking my snatch and dribbling saliva all over my bumhole.

I felt him shift position and play his cock on my pucker, so I braced myself, gasping as he penetrated my bum – and Ben's groans echoed me as I sucked even deeper and harder on his knob.

Neal fucked me slowly. He wanted to watch me blow his friend, and to enjoy the feel of my arsehole grasping tight around his shaft. He told Ben how much I loved a stiff prick in my rear, and how just one cock was never really enough to satisfy me.

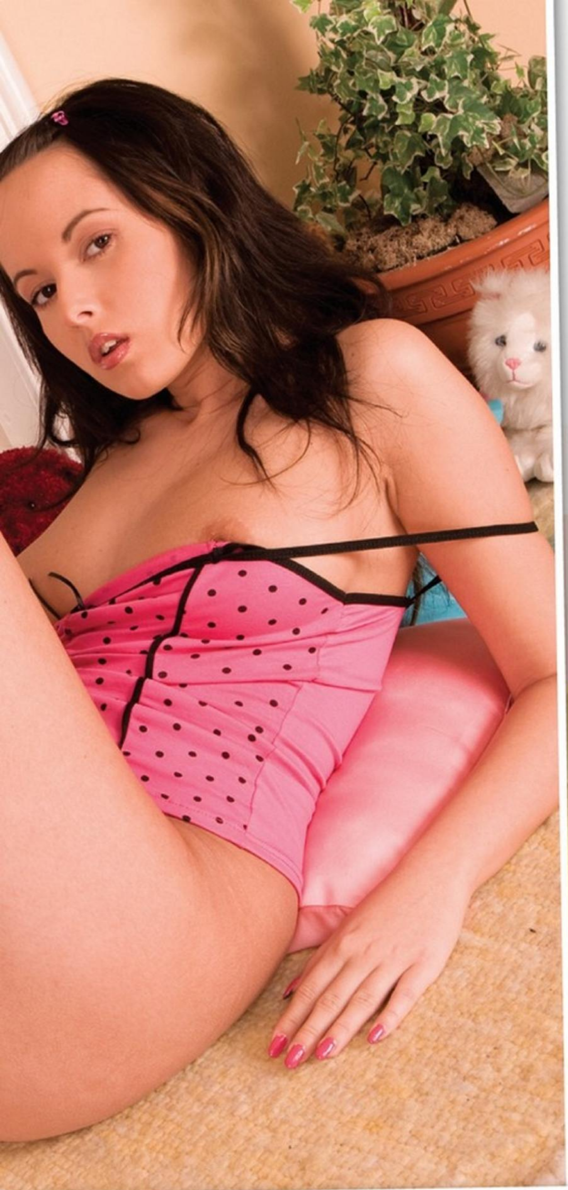
My sucking mouth was enough for Ben right now – and I could feel his balls bunch up in my hands. I gave them a firm squeeze, forcing out a huge, hot load which I gulped down my throat. Then I just kept on sucking until there wasn't a single drop left.

Neal started to ram my arse faster, his whole length moving like a piston. As his crotch slapped up against my cheeks, he told Ben to look how hard I could take his cock. Within a couple of minutes, Ben was getting another stiffy, though he wouldn't put his dick near my mouth – scared I'd clamp onto it and suck him dry again before he got a chance to fuck me!

I told Neal I wanted him to cum in my arse, but he pulled out until his helmet was stretching my ring – I felt every twitch and the huge, hot-liquid gush of spunk as he blew his load. He pulled right out, holding my arse cheeks wide apart, and Ben – now stiff again – came around back and thrust in, inch by slow inch, until his balls were resting against my crack.

His dick was thicker than Neal's so I felt my arsehole stretch a little wider, but I didn't have any problem taking it hard off of him, lubed by Neal's spunk which spurted out with each thrust. Neal came around front to play with my tits. The sight of Ben banging my bum got him so horny, and I jerked his dick to keep it rock hard, even though I wasn't sure what I planned to do with it just yet.

Now Ben was groaning that he was going to cum, and he pulled out. I rubbed my clit so my arse rippled around his dick as he withdrew. Then he wanked



himself all over my arsehole, crack and cheeks. I told Neal to get in behind me and spunk on my arse too, and asked Ben to get his mobile phone and take some pictures.

Neal managed a few thrusts inside of my pussy, which hadn't had much attention up to now. Then he creamed all over my bum, running a sticky stream to mingle with Ben's cum. That's one of the horniest pictures ever taken of me, both my holes stretched wide open by their cocks and swimming with thick jizz; Ben even captured me looking back over my shoulder with a big, dirty grin on my face!

Neal said Ben wants another threesome, so I'm planning a weekend of fun for us. I don't need a bad day at work to justify draining two sets of balls!

HUMPING THE HELP!

Renee is our very sexy housekeeper. She's been with our family now for several months. Needless to say I was thrilled the day I walked into our house and was introduced to her. There she stood, this top-heavy brunette with round tits, curvy hips and full lips perfectly suited for sucking cock.

Around my wife, Renee acts very shy and reserved, but around me she is a bit more flirtatious, often bending in place to adjust her knee high socks, and pressing her lips against my ear when asking me the simplest questions.

Over the past few months our interludes have become more erotically intense. Just last week Renee was stirring up a pot of homemade spaghetti sauce when she dribbled a little on her blouse. Instead of patting the red stain off with a towel, she removed her shirt, showing me a glimpse of her natural tits that were visible through her white lace bra. Her tits were very perky! She proceeded to wring her shirt out in the sink using ice-cold water, then put it back on, giving me flashes of her hard nipples that were practically tearing holes through the wet fabric.

Last night things got a little out of control. Before she left for the evening, Renee came into my office and told me to guess what colour her pants were. After several unsuccessful attempts, she opened her legs to me, showing off her freshly shaven slit, and told me it was a trick question since she never wears pants when working at my house. "You're taking me home tonight," Renee teased me, closing her legs and securing her rucksack around her shoulders. I couldn't get into the car fast enough.

As soon as we rounded the first corner of my neighbourhood, Renee urged me to pull over. Before the car was even stopped, she was on my lap smothering my face with her tits. I grabbed her juicy mounds with both hands, running my tongue over the hot flesh and siphoning her tiny nipples into my mouth. Her skin smelt amazing and tasted sweet.

JESSICA

PHOTOGRAPHY: AUTOMODELZ

When it comes to locations, some girls get lucky with an exotic shoot somewhere nice and warm, and others get stuck with the two-up, two-down in Rochdale. Not that the house in which Jessica is cavorting around is necessarily in Rochdale of course, I was just saying that for comic effect. It might not even be a two-up, two-down for that matter.

Indeed, all we know for sure about this shoot is that Jessica looks very sexy in it, and that the couch was purchased at some point in a DFS sale – £299.99, must end Monday.

But this is all besides the point. The real question here is how Jessica will respond when she sees this issue of *MensWorld* and finds that other models have been jetted off to beautiful places, while she's stuck with venetian blinds, a beige cushion, and a run-of-the-mill sofa.

From past experience, her initial reaction will be an angry phone call, during which we'll appease her with promises of a much nicer location for her next *MensWorld* shoot. Jessica will cheer up and agree to make another appearance in the magazine, and we'll all get a day out in Margate – double bubble!

FINGERIN' THE DYKE!

Emma Edwards got so wet on the set of Wicked's wild woman-fest *Just Y* *& Me* that she slid all the way home on her own froth. Don't worry, guys, got these pictures for us first...

Just You & Me
Starring: Asa Akira, Charlie Laine, Jayden Cole, Jazy Berlin, Jesse Capelli, Jessica Jaymes, Kina Kai, McKenzie Lee, Mia Presley, Monique Alexander, Nikita Von James, Sophia Santi, Tori Black.
Directed From: Brad Armstrong.
Available From: Wicked Pictures.

McKenzie and Nikki get curious!

Charlie lives life in the fast Laine!

Locked in a million dollar mansion, fourteen of the most celebrated starlets, cherry picked by award winning director Brad Armstrong converge in this highly stylized offering. With dynamic porn pairings, elaborate costuming, and voracious appetites for female flesh shared by each participant, *Just You & Me* explodes into an all-girl extravaganza. In its wake, it redefines what premiere lesbian erotica can aspire to when created with the expert finesse of a true porn visionary.

That vision is overtly present the moment I walk onto Armstrong's sexual wonderland and spot the most beautiful girls roaming the halls. To my left, Charlie Laine helps fasten Tori Black into a leather posture collar, while playfully stealing soft nibbles of her tan shoulders. Off to the right, Nikki Benz is hard at work buckling McKenzie Lee into a vinyl corset, despite the fact that her huge tits simply won't fit. Behind me, I can hear the unmistakable sound of spiked heels clicking against marble floors, zippers fastening, and fingernails sliding up the length of fishnet stockings. And the smell, which can only be described as vanilla-scented pussy, permeates through the open space. Thankfully, Armstrong has honoured us with a ringside seat in his domain where sexy women reign supreme.

Without a moment's hesitation, the first scene of the day begins right on cue. Tori Black and Charlie Laine glide into the living room and settle on two leather chairs that are placed side by side. Their outfits are extreme, with both girls in dominatrix inspired gear that have been strategically constructed so all the good parts spill out. Before Armstrong is able to relay his vision to the glamorous nymphs, Tori pins Charlie against the leather chair and wedges her tongue inside her already wet hole. "This is exactly what I've been craving," she purrs, running her fingers around Charlie's thighs until her skin springs to life with goose bumps. Armstrong quickly backs up and lets the natural rhythm of the girls unfold.

"Fuck me with fingers," Charlie moans as Tori tries to unlatch her lips from her pussy despite the fact that it remains connected by webs of pussy stringers. Without the need for synthetic moisture, Tori works in her digits, one at a time, until she is three fingers committed. To further stretch Charlie out before bringing out the big toys, Tori holds her fingers in place at the knuckle and urges Charlie to glide up and down. Almost instantaneously, Charlie explodes with her first orgasm the moment Tori swaps out her fingers in lieu of a slender fuck stick. "Turn it up, Tori," Charlie pleads, in

Asa Akira ruins another sofa!

a desperate attempt at chasing down another orgasmic blast with the good vibrations. When it's Tori's turn to be plugged, Charlie holds another toy in place on the floor and has Tori squat on top of it. With incredible action, Tori rides the toy hard, pinching her tiny titties while spilling her juice over the shaggy white carpet. "What a way to begin," Armstrong sighs, obviously enamored by these two choice chicks. Yeah, we kind of like them too.

With energy in the room that remains electric, Monique Alexander and Asa Akira enter into their scene, hoping to expand on the palpable vibe that has everybody reeling. "Think we can do as good a job?" Monique asks. Asa smacks Monique on the ass, slips her hot Asian tongue down her throat and responds, "Even better!"

Feeling exceptionally horny for one another, Asa takes on the more dominant role from the start and bends Monique in half until her ass blossoms before her. After spitting a wad of saliva onto her beefy beaver and wedging her wet fingers around the spongy meat, Asa goes straight for a diamond-studded toy. She spreads Monique open with both hands, places the toy in her mouth, and buries her face inside the pink palace. "I can feel the tip of your nose tickling my asshole," Monique hums, as her hips begin to rock back and forth to connect with Asa's beautiful face.

After several minutes of intense girl on girl heat, Monique treats Asa to the same oral pleasures. Before their time is up, Asa positions Monique on top of her body in 69 so they can grind their wantons into a saucy finish. Once each girl has climaxed, they continue to lay on top of each other in a futile attempt at catching their breath.

As the day turns into evening, it is finally McKenzie Lee's opportunity to turn Nikki Benz into her personal plaything. This doesn't take much coaxing, as the girls have been caught making out with each other all day. Apparently, McKenzie's sexy English accent has Nikki's panties in a sticky bunch.

"Come over here you sexy bitch and let me fuck you," McKenzie purrs. Nikki's panties practically peel down magically with each word spoken from the hot English muffin's lips. When McKenzie is finished, Nikki is found sprawled out on a leather chaise, pinching the tips of her nips. Like a moth to a flame, McKenzie's tongue hones in on Nikki's cunt with the accuracy of an expert sharpshooter. It doesn't take long before Nikki is a gooey mess, with her ass sliding around the leather due to the scads of vag juice.

After watching the way Asa maneuvered the vibrator in her mouth, McKenzie tries to do the same thing to her bottle blonde friend. Although she manages to plug her up quite nicely in the beginning, she knows her hand can deliver a much stronger blow. To prove the point, McKenzie pulls Nikki to the edge of the chaise by the tits, jabs her spike boots into the floor, and begins the assault. "Fuuuuck!" Nikki wails, as McKenzie continues to slam the toy in and out of Nikki so fast that the toy becomes a blurry mess to the naked eye! "Quiet down. Take it!" McKenzie warns, switching hands when the other one begins to tire.

Nikki is very happy to act out her sexual revenge once the dominant role is reversed. "Let's see how well you can take a licking," Nikki contends. Yanking McKenzie's legs apart like a wishbone, Nikki rests on her belly and goes to work polishing up McKenzie's creamy clam. She pulls up the sides of her pink pussy with the edges of her teeth and then releases to snap the meat back into place. "Smash that tongue against my clit," McKenzie finally says between screams, darting her hips up to connect with Nikki's tongue.

As they conclude their scene, it becomes quite obvious that having these girls waiting around with all of this penned up sexual frustration was Armstrong's plan all along. In the end, he gets from the girls exactly what he wanted. Brilliant!

Before the day

ends, the ultimate lesbian triangle, starring Sophia Santi, Jazy Berlin, and Jesse Capelli, converges into what becomes the hottest display featured today. Their scene begins with Jazy and Jesse on either side of Sophia, fighting to get her attention. Jazy yanks on Sophia's right leg, while Jesse tears open the left, eventually rendering Sophia into the splits. With enough pussy milk to satiate both thirsty kittens, the girls go down on Sophia together, tangling their tongues into knots while trying to enter Sophia's hole in unison.

SHE JOINS SOPHIA IN HER VAGINAL EXPLORATION OF JAZY'S JUICE BOX

"Now girls!" Sophia charges, grabbing both blonde heads at their roots, and guiding their tongues against her slit one at a time. This eventually makes way for a fiery finger assault that has digits from two sets of hands vying for vaginal domination. Sophia's warning becomes more stern, "Easy. There is enough for both of you!" Finally, the girls have no choice but to settle down and play nicely. However, the niceties are very short lived.

After the thorough plugging of Sophia, the girls position themselves in a doggie train that has Sophia eating out Jazy, while she in turn gets her bum rushed by Jesse. Jesse, at the end of the train, wags her ass for the camera, offering an unobstructed view of her tight pussy and asshole. "I want some too," Jesse blurts out once she's had her fill of Sophia's butthole. Quickly thereafter, she joins Sophia in her vaginal exploration of Jazy's juice box. "Fuck, this is delicious!" both girls agree.

As the vixens transition into the next position, Sophia gets busy slamming Jesse with a black toy while Jazy masturbates to the sight of the two sexy fuckers. "You two look so fucking hot!" she mouths repeatedly, eventually leaking her approval all over the sofa they are fucking on. As each girl explodes, the day comes to a smashing close.

Although I could only attend one day's worth of filming, I've been told that also including in this stellar line-up is an outrageous scene that has Jessica Jaymes and Nikita Von James tearing up Kina Kai. And if that weren't enough to wet your whistle, visions of Mia Presley riding out her fingers and Jayden Cole making nice with a vibrator in two solo masturbation scenes ought to do the trick. Either way you slice it, director Brad Armstrong and crew have got you covered. The only thing left to do is whip out your cock and aim for your favourite girl. With fourteen to choose from, you're guaranteed a perfect hit!

AVY

PHOTOGRAPHY: SAGE

Sunning herself by the pool, a warm summer breeze no doubt tickling her big nipples, we find Avy Scott, a beautiful, blonde bombshell who, as you might well have witnessed for yourselves, has been thrilling porn fans for almost a decade with her gorgeous curves and natural boobs.

Even though she's dipped in and out of the industry over the years, in the process earning herself a reputation for being a bit of an enigma, Avy has still managed to chalk up over 200 movies, and if anything her frequent breaks from the world of porn have meant that she's looking just as good today as she did when she kicked off her career back in 2001.

Indeed, Avy recently won the prestigious X-Rated Critics Award for 'Best Cumback' after returning from yet another one of her hiatuses with a stream of sizzling performances, emphasising the fact that she's as gorgeous and up-for-it now as she's ever been.

But the question remains, what does Avy do on those random breaks from the industry? Well apparently she 'retired' without telling anybody in 2002, and on another occasion she left porn to study for a degree in Neuro Linguistic Programming. No, really… Who'd have thought such a swot would make a movie called *4 In The Pink, 4 In The Stink 3?* It takes all sorts…

When the next hiatus will be, no one really knows, but our advice is to enjoy Avy while you can, starting with this very sexy spread…

EVA

PHOTOGRAPHY:
LOBOPRESS

"Try and write this one without using the phrases 'pretty in pink', 'in the pink', 'pinky and perky' and 'two in the pink and one in the stink'," said the Ed. with a smile. "If you do it I'll buy you a pint, and if you don't then you're fucking sacked."

I think he was joking, as he laughed and punched me in the stomach when he said it, which I believe goes down as playful banter in his book.

However, just to be safe I'll try and steer clear of 'those phrases', even though Czech stunner Eva does look rather lovely in her splendidly co-ordinated attire. She's even done her nails to match, but I suppose you'd expect that kind of attention to detail from a girl who has been using her appearance to charm men's cocks since 2004.

The sexy string vest, the matching bangles, the shoes and earrings in a lighter shade... Yes, this Czech hottie knows how to put an outfit together, and to think we only told her to go with this colour scheme for the shoot because we'd found a tin of bright pink emulsion in a skip in the staff car park. Why somebody didn't want it we'll never know...

Anyway, I'm going to say it – Eva looks pretty in pink! (*You're fucking sacked – Ed.*)

Foxy Boxing

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF SHOWBIZ AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: Paris Hilton vs Lindsay Lohan

Pedigree

Hilton

Her father is an incredibly shrewd property mogul and her mother is a socialite, making it difficult to establish which parent socialite Hilton takes after the most.

Famously an heiress to the Premier Inn hotel chain through her Great Grandad, when he finally snuffs it Hilton will reportedly inherit enough money to fulfil her ambition of building a Brewer's Fayre made entirely from gold next to the Premier Inn Swansea South, where she may have been conceived.

Lohan

Her father is a businessman, and her mother is a former singer and actress, making it difficult to establish which parent singer and actress Linsday takes after the most.

Lohan began her career as a 'child model', before moving on to star in TV commercials and several Disney Movies. A naturally talented individual, she's recently turned her attention to drink-driving, allegedly taking to the streets in her red Fiat Uno brimful of Gin Slings and Mad Dog 20/20.

Round 1: While Lohan has serious acting pedigree, apart from one disastrous attempt to introduce sushi to Premier Inn menus back in 2005 Paris Hilton's past achievements are a mystery to most.

Business Sense

Hilton

While she would like to claim the credit for booking Lenny Henry and a small plastic duck for the recent Premier Inn 'bread for my friend' advertising campaign, Hilton in reality had nothing to do with it whatsoever. She has, however, launched a fragrance, a footwear and clothing range, a chain of nightclubs and, perhaps most famously, a rival to the Fray Bentos tinned pie, the Hilton Homebake Premium.

Lohan

When Lohan launched her 6126 clothing range back in 2008, some cynics suggested the garments should have booze and vomit stains all over them, and random holes and tears to simulate trips, collapses and falls outside trendy nightclubs.

Alas, Lohan's foray into fashion hasn't been much of a success, but better things are expected from her fragrance, which is set to be launched later this year and will, an undisclosed source tells us, smell like 'a combination of gin and day old sick'.

Round 2: The name Paris Hilton undoubtledly helps shift rubbish, and she's cleverly capitalised on the demand by endorsing any number of products. An easy win for the popular blonde person.

Sex Appeal

Hilton

Despite trying her hand at acting, singing and presenting, and being crap at them all, Hilton has got a nice body, meaning that from time to time blokes might dwell on her dire show, *My New Best Friend*, for around three minutes longer than they'd originally intended. Indeed, most men would like to fuck Hilton's brains out, but few are aware that, being the size of a baked bean, it actually fell out through her ear back in 2004.

Lohan

Although she looked really sexy in the 2005 movie, *Herbie: Fully Loaded*, it's difficult to think about Lohan these days without imagining her all pie-eyed and tottering around, smelling of stale wine and belching like a navvy, or even crying in a prison cell after her latest alco-fuelled escapade. But none of this really matters anyway, because by all accounts she's a raving lesbo and wouldn't be interested in a cock even if it ejaculated Bombay Sapphire with a dash of tonic and a twist.

Round 3: Hilton oozes sex appeal, and even if you'd have to insist on her not saying anything before, during and after intercourse, she still trumps lush lesbian Lohan and comfortably takes round three.

Talent

Hilton

In an era where becoming famous for having no discernible talent has become a talent in itself, it could be argued that, along with the likes of Coleen Rooney and Peaches Geldof, Hilton is one of the most talented individuals on the planet.

But perhaps we're doing everyone's favourite filthy rich socialite down a little bit here, after all, she did show herself to be pretty good at sucking dick in the popular 2004 movie, *One Night in Paris*, and recently managed to get 'banned from Japan', which has to go down as an achievement of sorts.

Lohan

According to Meryl Streep, no less, Lohan is a very good actress, even if she was at times upstaged by the car in the aforementioned *Herbie: Fully Loaded* and has won several 'worst actress' awards over the years. Jack-of-all-trades Lohan is also a half-decent singer, and has released two well-received albums thus far. However, it's her ability to drive an automobile whilst sozzled for which she's perhaps best known.

Round 4: What exactly Hilton is famous for remains a complete mystery to many, and it's Lohan's proper acting and singing ability that sees her sneak round four.

Lesbian Credentials

Hilton

Bizarre rumours abound of Britney Spears having in her possession a video of Hilton lezzing off with a 'mystery woman', and it's often you'll see pictures of the Premier Inn queen fondling some sexy female friend or other. But is she a proper dyke or just lesbo for the tabloid lenses? The latter, we think, although we'd be happy to be proven wrong should she wish to send some proof to us here at *MensWorld*. Polaroids, digital images, hardcore videos... We won't publish them – honest.

Lohan

While Hilton seems to enjoy the odd sapphic grope with pals, Lohan has had proper lesbo girlfriends and everything, and who knows what she got up to during her recent stint in an all-female prison? Well, we've seen a DVD about that kind of thing, and they just put all the gorgeous girls together in one cell and let them get on with it. As far as we're concerned, this is most likely what happened to Lohan.

Round 5: There's only one genuine dyke here, and it's Lohan's love of the rug that sees her take the fifth and final round to win the bout. When it comes to lezzing off, Hilton must try harder.

Result

The battle of the bad girls as expected went right down to the wire, but it was Lohan's genuine lesbian tendencies that saw her through in the final round of a closely fought encounter.

She might have problems with drink and drugs, and have spent time in 'the cooler' for driving whilst under the influence, but this Foxy Boxing victory could well mark an upturn in fortunes for Lohan and her flagging career.

Let's just hope she doesn't have a drink to celebrate.

ISIS

PHOTOGRAPHY:
HICKS

These pornstars can be a contrary bunch. They might take all shapes and sizes onscreen, but when it comes to choosing partners in their private lives they're often very demanding.

Take Isis, for example. Apparently she likes her men to have exotic looks, a great personality, be in very good shape and boast a sparkling sense of humour. She also confesses to being 'obsessed' with geeks, nerds and blokes who are into comics. Forgive me, but I don't think Isis's ideal man exists.

Let's be honest, it's unlikely that a spoddy adult male who still reads comics will be all buff and have a great personality and a sparkling sense of humour. Indeed, they're more likely to live at home with their parents, say Catwoman is their girlfriend, regularly wet the bed, and enjoy wittering on at length about how they're saving up their 'pocket money' for the first edition of *Spiderman versus Hong Kong Phooey*. Seriously Isis, you need to wake up and smell the coffee, girlfriend!

What she wants is a simple bloke, with an average sense of humour, very basic levels of fitness, and a visit to the *MensWorld* offices. I'm sure I used to have a subscription to the *Beano*…

THE LONG AND SHORT OF IT!

SPECIAL PORN CORRESPONDENT O-REAL ASKS PORN STARS IF DICK SIZE IS IMPORTANT TO THEM. EITHER HE LIKES TO HEAR THEM SAY 'COCK', OR HE'S LOOKING FOR VALIDATION ABOUT HIS OWN LITTLE STUMP...

Shawna Lenee loves a length!

JANET MASON

From the mouths of babes: Janet is one of those who love it big and aren't afraid to shout it out loud. Janet, branded by AVN as 'the ultra-MILF', makes no secret of her quest for enormity. "The bigger the better, both in length and thickness," the redhead says. "I don't pretend to speak for other women, but for me, size does matter, both physically and mentally. A set of large, low-hanging balls is a nice bonus, too! I'm a confirmed size queen, and the big, black cock of stereotypes is a huge and undeniable turn-on for me. In fact, it's actually a bigger turn-on in reality than it was when I used to just fantasise about it before we started swinging. And the bigger his cock, the more this is true."

Slam in the ham: While she's been successfully online for more than a decade, she just turned pro late last year. Check her out her rousing performances in *Big Titty MILFs 10*, *Dirty Over 30 #3*, *Seasoned Players 8* and her DVD debut with the big, black cock of Lexington Steele in *MILF Magnet 3*.

JENNA HAZE

From the mouths of babes: A 'boner fide' superstar, Jenna has only improved since she won AVN's Best New Starlet trophy in 2003. She's widely considered – and frequently awarded as – the best female performer in adult today. "A hard, working penis," she succinctly describes her preferred prong. "As long as it's yummy and hard. I'm not really particular regarding shape, size, that kind of stuff. A good dick is a good dick. I'm seven-eleven about it – anything over eleven inches is excessive, anything less than seven is disappointing. I don't like a down curve, but anything other than down curve is good. I like girth in my pussy, but not in my ass. In my ass I like more length, but in my pussy I like girth. I only recently learned that because I started working with some big guys in my butt the last couple years." Hmm, seven – that's above average, right? Yep, thought so. Just had to check, that's all.

Slam in the ham: Watching Jenna in any scene, you can tell she's completely into what she's doing. That's what makes her one of the best. Find her in *Interactive Sex With Jenna Haze*, *Jenna Haze Dark Side*, *Flesh Hunter 1-3*.

JOANNA ANGEL

From the mouths of babes: Don't let the skulls tattooed on her arms scare you – Joanna is really quite a sweet girl. And just because she's a sex industry professional doesn't mean she's been spoiled by the long ones. "I like them all, but I guess the girth is a little more important than the length to me," the entrepreneurial starlet says. "I'm kind of short, so somebody with a 15-inch penis, it's just not going to go all the way in. It's going to start hitting my cervix and it's not going to feel very good at a certain point. There are certain positions that I can't do when I'm with someone who's that big, and I think it's a shame when I can't get a penis all the way in me. It's a waste of a few inches of the penis, so I feel bad. But I like it when there's some girth on it, because then you feel all stuffed, and it's kind of cool." Hmm. It's nice to know some people have dick to waste!

Slam in the ham: Some of our favourite Joanna moments appear in *Cumcocktion*, *Neu Wave Hookers*, *Fuck Me In The Bathroom* and the colourful *Cum On My Tattoo* series, which she also directs for her company, Burning Angel Entertainment.

Certified big cock lover Janet Mason!

SADIE WEST

From the mouths of babes: The junior starlet from New Sensations was discovered by the company before she could shoot even a single video for another outfit, and what a find she's turned out to be! With each release she improves, and the company clearly has another major talent on its hands.

"I don't really have a favourite. I think I like them all!" Sadie says after a moment of contemplation. "I like Alex Gonz's cock. Everything about it, the shape, and he fucks really good. He knows what he's doing. I don't know what it is, but he keeps me wet during the scene and that's very important. I've fucked a lot of guys in my day, and he's definitely one of the best." Love, you haven't had us yet.

Slam in the ham: See Sadie take on Alex in *Naughty Cheerleaders Club* and *Sadie And Friends*, and then enjoy her work in *Hearts And Minds 2: Modern Warfare*, *The Voyeur In Me* and *Bound To Please 6*. See her do us in our dreams. Available nightly.

SHAWNA LENEE

From the mouths of babes: This blonde knockout and *MensWorld* favourite is a performer who knows what she likes… or does she? "I like the big ones," Shawna says. "The bigger the better, definitely. Nothing is ever too big. I like it when my pussy is stretched out. I heard that your first sexual experiences determine what you like sexually for the rest of your life, and for me, the guy was pretty huge, so I've always been attracted to guys with big ones. I like the wider ones and I like the head. You know, actually, I think I like them all!"

Slam in the ham: Shawna always brings her A game to a shoot, but we managed to pick out a few select performances: *Pirates 2*, *Control 8*, *Big Pole Little Hole* and the spoofs *This Ain't The Munsters XXX* and *This Ain't The Partridge Family XXX*.

MODEL
BEHAVIOUR

OUR *MENSWORLD* MODELS ARE A RACY LOT, AND WHEN THEY'RE NOT STRIPPING OFF FOR US, THEY'RE USUALLY UP TO SOME KIND OF MISCHIEF. BUT EXACTLY WHAT SORT OF NAUGHTY SHENANIGANS DO OUR GIRLS GET UP TO, AND WHAT IS A PORN MODEL'S LIFE REALLY LIKE? EACH MONTH ONE OF OUR FAVOURITE BABES TELLS ALL ABOUT THEIR SORDID BEHAVIOUR…

I've worked with Ines on a whole bunch of shoots over the years. When you don't do guys in porno (of course, I love guys in real life, but I have my own set of rules) then you wind up doing a lot more girl/girl shoots than you normally would. Which is fine by me cos I love getting it on with women too. I have no hang-ups about my sexuality, I just get on and do whatever turns me on. And Ines always gets my pussy wet.

So this one time we were doing a shoot together and we did our usual gossiping and bitching about the other girls and guys in the biz while we were having our make-up done. Ines told me some pretty crazy stories about the things she'd been up to on shoots recently – she's way nastier than me, believe me – and we had a lotta fun before the photos even started. And that's when Ines told me about the shoot we were about to do [not this one guys, don't worry!], and what the photographer liked to do on his shoots!

So basically, she said that the guy we were about to work with, who was new to me, liked to get his dick out and start masturbating while taking the photos. He had a rep for doing it. Some girls don't mind, they let him get on with it, some even jump straight on that dick and finish him off. When a girl complains, he'll put it away and carry on with the snapping. So Ines was telling me that the last time he took pictures of her, she let him cum over her tits, wiped it off and carried on with the shoot. I told her there and then that she was welcome to do what she wanted with him, but I don't handle cock in the vicinity of cameras – when you make a career out of not doing boy/girl, the last thing you wanna do is get snapped giving some sleazy photographer a blowjob!

So we got into the studio and got down to the shoot, like the pros we are. I love working with Ines, she's fun, and even when we're shooting stills she'll lick and suck at my pussy and try to make me orgasm. It actually gets on the photographers' nerves, cos the pictures come out blurry when she's furiously rubbing my clit.

She peeled off her clothes and I did

I FOUND HER CLIT WITH MY TONGUE AND WORKED IT

the same, and we did the standard poses for this guy, who I have to admit I thought was pretty hot-looking. He was no Brad Pitt, but he'd do for me, and I hadn't had sex in weeks! So as Ines and I got down to sticking our tongues in each other's pussy, all I could think was why wasn't this guy getting his dick out? There I was, my peachy ass in the air, slowly licking the folds of Ines's very juicy cunt (she always gets really wet on shoots – I'd swear she'd do this kinda stuff even if she wasn't getting paid) and fingering myself, holding my pussy wide open while he pointed his lens right at it, but his cock remained firmly in his jeans. This was pissing me off.

It was there and then that I decided I would do whatever it took to make this guy start jerking off, so I went crazy on Ines. I pushed her legs apart and started grinding my mouth against her cunt, moaning and licking while I plunged my fingers deep in my very wet hole. Ines didn't know what hit her – she looked shocked as I found her clit with my tongue and worked it vigorously, not caring that the photos would just be a blur. Ines grabbed my head and rubbed her crotch up and down my face. I pulled my fingers out of my pussy and thrust them inside her hole, which made her buck and writhe in ecstasy. Ines started to climax, and I felt my mouth flood with her creamy juice, and no sooner had she finished screaming and coming, than she flipped me over, put her head between my legs and began to return the favour in exactly the same style.

As I lay back, my pussy lips parted for Ines to stick her tongue right inside me, I looked back across the bed at our cameraman. I'd kind of forgotten about him while I was making Ines climax, as she was my sole focus then, but now that I was lying back, feeling her warm mouth sliding up and down my cunt, I could take in what he was up to – and no, it wasn't taking pictures!

He was standing next to the bed getting sucked off by the make-up girl! I'd totally forgotten

I COULD FEEL HER WARM MOUTH SLIDING UP AND DOWN MY CUNT

WorldMa

she was in the next room – she must have sneaked in when she heard me and Ines going for it, then decided to help out her boss. Which he seemed very happy about – she was a good-looking girl – fresh-faced and skinny – and was on her knees inches from my head, sucking his meaty dick down.

The photographer caught my eye and I smiled at him and whispered that he and his friend should join us. No cameras were in sight so I knew it'd be okay, so he gently withdrew his penis from the make-up girl's mouth, guided her to lie next to me on the bed, and then climbed on too.

Ines, all this time, didn't stop licking my pussy. By now, the girl next to me was rubbing her hands all over my body while the photographer knelt between our heads. He was slipping his dick into my mouth, letting me suck at it, then pulling it out and putting it back in the make-up girl's mouth. We were both desperate to keep hold of it, to lick and suck his salty dick for as long as possible, but he was teasing us, letting the other one have it even when we were clamouring for a taste.

Ines upped her game and I could feel the ripples of an orgasm start to rush through my body. I really wanted his cock in my mouth as I came, so I grabbed hold of his hard-on and pulled it from her mouth and wrapped my lips around it just as I started to come.

That totally set him off – he let out a groan and flooded my mouth with his spunk as I orgasmed. I couldn't swallow it all so the rest dripped all over my upturned face, and the greedy little make-up girl turned over, got on all fours and started licking his jism from my lips and my cheeks.

By the time Ines looked up from between my thighs, she realised the first load of spunk had been sucked up by us two. Luckily, our photographer pal had plenty more, and over the rest of the afternoon us three girls made it our mission to drain him. So yeah, it turned out my morals are prone to change when a good-looking guy with a nice cock is taking the photos. I'm not suggesting every snapper I work with tries this little stunt from now on, but at least y'all know I won't rule it out...

SHE STARTED LICKING HIS JISM FROM MY CHEEKS

BRIANA

PHOTOGRAPHY: HANK LONDONER

You probably think we're making this up, but up-and-coming yank pornstar Briana Blair actually used to be a proper cheerleader, and we're not talking prancing around with a couple of pom-poms for some college team, either.

Briana was a cheerleader for NBA Basketball outfit the Atlanta Hawks no less, performing in front of crowds of thousands as one of their legendary A-Town Dancers. You're impressed now, aren't you?

But why did she get into porn when she was making such a success of whipping slam-dunk fans into a frenzy with her hot body and slick moves? Apparently it was all in the name of exploration.

"I had always been quite reserved sexually, so I thought I'd give porn a try," she said in a recent interview. "I'd never even posed nude before and all of a sudden I saw this whole other side of myself. Getting into the adult industry has been a liberating experience."

Far from missing those dancing days, Briana has fully embraced her new career, and she's already made more than 20 movies in her first year in the business. The pick of the bunch? Well for us it has to be *Naughty Athletics 9*, where she plays – you've guessed it – a very sexy cheerleader.

CONTINUED FROM PAGE 13

By now Renee was dry-humping my lap, smearing splotches of pussy juice all over my jeans and ramming her tongue down my throat. Before I knew what had hit me she was unzipping my jeans and stroking up my fat cock with her small hands. “How badly do you want to fuck me?” she asked, decorating the head of my cock with saliva. I couldn’t even speak. I had never been so turned on in my life.

As I closed my eyes to take it all in, my cock started to feel warm, wet and squeezed. She was slowly stuffing her hole with my hose. It took a little while to get all of me inside of her because her pussy was so damn tight. After a few long strokes to dampen my dick, Renee started bucking her hips up and down, crashing her arse onto the tops of my thighs and squeezing my head into her chest. The sound of our skin smacking together was making my cock even harder.

“Bury your tongue in my pussy,” she purred, bending over in my face to show off her cunt and arsehole. I grabbed her buttocks, stuck out my tongue and dove in head-first. My tongue was lapping up both holes, while my teeth were busy nibbling the soft skin around the curve of her arse.

“Do we taste good together?” she asked, spreading her pussy lips open with her fingers and securing them shut over my mouth. I seriously could have died and gone to heaven at that moment, but I knew I couldn’t finish without knowing what my nuts felt like slapping against her arse in doggie.

I pushed Renee’s head down into the leather seat, wrapped my hands around her hips and sunk my cock inside her slit. She whimpered and moaned, ramming her pussy back against my prick to get a deeper sensation. Suddenly I felt my balls tighten. I knew I was about to cum. I rolled Renee around and shoved my dick in her mouth. “Suck it out!” I urged, watching her cheeks round out with the head of my cock. When she resurfaced she opened her mouth to show me the monster cumload swimming inside. “Yummy,” she smiled, swallowing.

It took me three hours to make it back home that night but I didn’t care. Renee was worth it!

CARAVAN CLUB!

Walking home after visiting a friend who lives in a caravan park, I passed a unit with the light on and the curtains open – and saw a couple fucking. He was a big, rough-looking guy, she was petite but more than his match.

As he fucked her from behind, shunting her up the mattress, she was yelling for more. Then he pulled out, flipped over on his back and she rode him, mashing her tits in his face and her cunt on his cock. Now she pulled off of him and started playing with her own boobs, saying she wanted him to spunk on them. He straddled her, pulling his drenched dick until they got a frosting. Then she grabbed his cock, still hard, and rubbed it all over her face.

My pussy throbbed just watching them and when I put my hand in my underwear I was dripping wet – but all I could do was go home and frig off. I mostly forgot about them, though any time I masturbated I’d picture them going at it and cum flying everywhere. Then, just over a week later, back at the caravan park, I bumped into the girl.

I felt like I had to say something to make sure she knew her private life wasn’t so private. She knew. It turned out the man – some trucker she fucked when he was in town – liked the idea of being seen. I told her I didn’t blame him – I’d seen the size of his dick! She laughed, told me I was cool and invited me in for a drink. We got a little tipsy on cheap wine and talking dirty and she asked if I wanted to sleep over.

In her bed, I told her how turned on I’d got, watching her get fucked by his big dick, and she grabbed a huge dildo from underneath the bed. She spread her legs and, despite what I’d seen, I didn’t think her tight little snatch could take a toy this size. Well, that was my excuse to give her a licking and get her wetter!

I went down, lapping and probing, fingers teasing her clit. Then she asked me if I was a lesbian. "You eat pussy like a dyke," she moaned, then came in my mouth, all salty-sweet.

I didn't leave her time to recover, just slid the dildo in her hole and jackhammered it. I don't know who was fucking whom – I was pumping it but she was thrashing on the bed, humping herself on and off of it. I kept having to switch hands because my wrists got tired from the demands of her fanny!

Eventually I pulled her into some kind of an arse-up piledriver position, and banged her so deep the wet butt-end of the dildo kept slipping out of my grasp. She'd cum a few times now, so she pulled the dildo out, rubbed a little wetness on my nipples for her to taste, then gave it me to suck. She had another little toy to use in my cunt and asked if she could do me from behind.

She drove me crazy, stirring just the very tip around at my opening. Then she had me stand up and bend forward so she could kneel behind me and push it in for a slow, deep stroke. Meanwhile, her mouth was on my clit, licking as it swelled up.

A tingle was spreading throughout my twat, a pulse-beat building. Add to this the blood rushing to my head, intensifying it all, and my legs were trembling. Suddenly, she told me to stand up straight; I came over so dizzy I found it hard to stay on my feet and that was even before the biggest orgasm of my life hit me hard.

"Keep cumming," she breathed against my clit, as she thrust her toy in and out my soaking hole. I took another suck on the other one, and that just got me off even harder.

She now knows I'm bi, like she is, and that I want a pounding from her trucker mate's thick cock sometime. She says that's fine, as long as she gets to drink his creamy spunk out of my dripping pussy right after. I was thinking maybe she could drink it out my arse too, if he can see his way to fucking me in there as well – I think he'll play ball. I see her whenever I'm at the caravan park; the person I visit there keeps talking about this total slag who lives nearby. It's so hard to resist saying, "I know – I'm fucking her!"

Unthinkable

E1 Entertainment, £12.99

When Yusuf, an American Muslim terrorist, claims to have planted nuclear bombs across three American cities, 'black-ops' agent Henry Harold Humphries – 'H' to his friends – is called in to interrogate him in order to try and find out exactly where they are. But Yusuf won't talk, and 'H' turns to physical torture in order to extract the information, and what ensues is a tense and gory encounter as the terrorist refuses to reveal where the bombs are and 'H' is forced to resort to increasingly extreme measures. Agent Helen Brody (Carrie-Anne Moss), is appalled by these methods, but her attitude towards the inhumanity of Yusuf's ordeal soon changes when a huge explosion goes off at a local shopping centre, killing dozens of innocent people. *Unthinkable* is a genuinely gripping movie.

If you've got the stomach for it, we've got five copies of Unthinkable to give away. To be in with a chance of winning, correctly answer the following question: Which of these movies did Samuel L. Jackson star in?
A) Goats on a Tea Clipper
B) Pandas on a Tandem
C) Snakes on a Plane

Horror! 333 Films To Scare You To Death

Carlton, £16.99

If a comprehensive, engaging and well-written introduction to the world of the horror movie is what you want then look no further, as this excellent guide to big-screen scares pretty much has it all.

Editors James Marriot and Kim Newman kick off by outlining the beginnings of the genre, taking in significant early developments such as the rise of the horror novel, the first *Frankenstein* movie and the early adaptations of Edgar Allen Poe's tales, before moving on to recommend, decade-by-decade, 333 of the finest and most influential fright-flicks ever made, from 1896 to the present day.

Each entry provides a detailed précis of that movie's plot, production and chief protagonists, along with reasons why that particular offering was important to the development of horror cinema as a whole, and how it reflected society at the time.

Add sections explaining subgenres such as the occult, zombies, cannibalism, slashers and eco-horror, and you've got the perfect beginner's guide to all things scary on the silver-screen.

333 FILMS TO SCARE YOU TO DEATH

Date Night

20th Century Fox, £19.99

After his appearances in smash hit movies including *The 40 Year Old Virgin* and *Little Miss Sunshine*, not to mention his starring role in the American version of *The Office*, Steve Carell is just about the hottest thing in Hollywood at the moment, and after watching him lift this zany action rom-com well above the average as hapless husband Phil, it's not difficult to see why.

Date Night begins unsurprisingly with a 'date', and Phil taking his wife Claire – Tina Fey – for a meal in a posh restaurant in an attempt to revive the romance in their flagging relationship. When they can't get a table he decides to steal a 'no-show' reservation, and that's where the problems start.

Approached by a couple of shady and very persistent characters at their table demanding the return of a mysterious 'flash drive', Phil and Claire are dragged into a madcap scenario of mistaken-identity involving car-chases, prostitutes, and some cracking one-liners. *Date Night* is a lot of fun.

Fringe: Series 2

Warner Brothers, £39.99

If you don't know already, *Fringe* is an American Science-Fiction series following an FBI team based in Boston whose task it is to investigate a series of weird, unexplained and often very grisly happenings referred to as 'The Pattern', a global phenomenon that causes strange occurrences such as a newborn baby becoming a pensioner overnight.

A hybrid of shows such as *The X-Files* and *The Twilight Zone*, Fringe naturally involves lots of weird shit such as alternate universes and a mysterious bioterrorist organisation that wants to take over the world, and it's the job of special agent Olivia Dunham, who is actually pretty fit, crazy scientist Walter Bishop and his son Peter to sort it all out.

The show has received rave reviews in the states for its combination of quality drama with weird science and depth of plot, and even though it has been criticised for being a bit slow-paced, once you get into it the chances are you'll be hooked until the mysteries of 'The Pattern' are resolved once and for all.

MUCKY MOVIES

Alice Cal Vista Pictures

CAL VISTA PICTURES PRESENTS
Alice
Editor's Choice AAAA½ -AVN
TMZ

From what I can remember of reading the book, the story of *Alice in Wonderland* is nothing like this one. I'm certain there's no hardcore sex in it, and I'm sure that at no point in the novel does Alice get fucked in a variety of positions by the Mad Hatter. But hey ho, I'll just get on with the review.

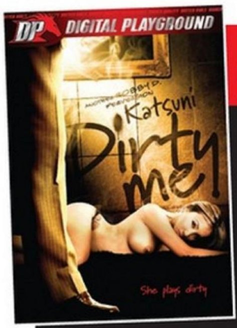
The story begins with Alice, played by the rather gorgeous Sunny Lane, reading what seems to be an erotic story, when a 'white rabbit' appears looking suspiciously like saucy porn starlet Andy San Dimas. Nevertheless, Alice follows the rabbit down what looks like a sewer pipe and finds herself in Wonderland!

The rabbit leads Alice to a nightclub called The Hole – which, incidentally, I'm certain isn't in the Lewis Carroll version – and enjoys a very hot lesbo session with Tweedle Dee, played by pocket-sized blonde babe Aiden Starr. Alice, meanwhile, does a sexy dance to some tunes to get her in the mood, before riding the cock of The Caterpillar, who may or may not be a cocksman dressed up in a fur-lined hat.

By this time I'd kind of lost the plot. Just concentrate on the shagging I thought, because there's plenty of that to enjoy. Sunny pitches in with another couple of scenes, 'larger' girl Katie St. Ives gets a poling, and hot brunette Kimberly Kane treats us to a solo scene on a bench – and I'm absolutely certain that didn't happen in the book… Great fun and great fucking!

Katsuni: Dirty Me

Digital Playground



It's seems like ages since oriental porn goddess Katsuni was last given a feature production in which to properly show off her talents, and from the way she throws her pert body into this filthy fuck-flick it's as if she's making up for lost time.

Appropriately, Katsuni kicks off proceedings, and for her opening scene she's got two cocksmen to take care of just for good measure. She does so with aplomb, sucking off one and taking the other in her pussy, before both withdraw and spurt onto her pretty face. But this isn't just about Katsuni, and the supporting acts seem keen to upstage. Slender hottie Capri Cavalli looks amazing all decked out in sexy black lingerie, and even better when she's working through the positions with hired gun James Deen, and up-and-cummer Andy San Dimas – not dressed as a rabbit this time – demonstrates her reverse cowgirl on another of those bloody lucky porn blokes.

Scene four heralds both another appearance from Katsuni and more double-trouble, as she siphons off two hooded avengers.

Big-titted Latina Mulani Rivera completes the piece, getting licked and fucked on her bathroom floor.

Featuring superb shagging and horny porn performers of the highest quality, *Katsuni: Dirty Me* comes very highly recommended.

PRIVATE movies
FUTURE SOCCER MOM SLUTS
SASHA GREY
SAMMIE RHODES
PENNY FLAME

You've got to hand it to Private for the cast they've managed to put together for this football-based fuckfest. Honestly, I don't think I've ever seen so many cute pornstars assembled in one movie. You've got raven-haired stunner Sasha Grey, perky redhead Penny Flame, curvaceous strumpet Sunny Lane – not dressed as Alice this time – blonde babe Sammie Rhodes and the eternally perky Aurora Snow, and the outcome – as you can probably imagine – is a cracking flick featuring plenty of no-holds-barred fucking.

The premise is somewhat tenuous, to say the least, with the girls apparently all looking for husbands so they can play 'mom' and do the after school 'soccer run' and suchlike motherly things. However, until they achieve this goal, it's seems that their plan is to behave like complete and utter sluts, and this is where the story gets interesting.

Sasha and Sammie get lezzy and play around with a massive dildo – I don't think either will find their future hubby in this scenario – and Penny gets cocked on a coffee table. Aurora is put through her paces by a black cocksman, taking a mouthful of spunk and loving it, before Sunny shows off her curves whilst riding her bloke in reverse cowgirl. *Future Soccer Mom Sluts* perhaps, but for now just sluts – and very hot ones at that…

NOT SAFE FOR WORK

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND...

CRAPGRAFFITI.COM

Whether you like it or not, graffiti is all around us. It's splashed across walls, sprayed on trains and even daubed across the bins at the end of our street. Some of it obviously requires a lot of talent, and some of it is total shit, and as you can probably tell from the web address, it's the latter type that interests this little gem of a site.

Rubbish artwork, terrible spelling, bizarre messages and a lot of semi-illiterate and rather half-hearted attacks on the government – all this and much more can be found at *crapgraffiti.com*.

Straightforward masterpieces such as the word 'dick' scrawled on a gate in Wales, or the inspired phrase 'Vagina Balls' written on a warehouse wall in Dorset rub shoulders with stranger offerings such as 'I'm Watching You Tommy Titfuck' scrawled in a pub toilet in Manchester, and 'Girls Legs Are Food' penned on a fence in Eastbourne. The result is bad 'graff' laughs aplenty, and the content here might inspire you to go and write 'tits' on a lamppost or even 'gonads' on a phonebox.

Dog Show - Norway

Anyone with even the slightest bit of interest in the events of the last century should find this site genuinely fascinating. Critical Past boasts an enormous archive of over 57,000 videos gathered from US Government agency sources, with most documenting an aspect of a significant historical happening from the 1900s. Okay, so everything here is very American in orientation, but there's still plenty of diverse content to interest people of all nationalities, including clips showing preparations for various NASA space missions, a large amount of material on both World Wars and the Vietnam conflict, and videos detailing important developments such as the birth of aviation, the construction of the Hoover Dam, and even footage of a dog show in Norway. Waste time at work and learn something new all at the same time.

lamebook™
the funniest and lamest of facebook

The world and his wife seem to be on Facebook these days, and there are a lot of bell-ends on the planet, so it stands to reason that lots of nonsense gets posted. Much of it is funny (mostly unintentionally), lots of it is baffling and some of it is terrifying – and quite often it's all three. Handily, the people at *lamebook.com* have gathered together a wide range of these posts for our amusement. Alongside the self-obsessed bunkum, some genuinely witty exchanges, and embarrassing cock-ups from people who have momentarily forgotten that they're Facebook friends with their parents/wife/girlfriend, sits scarier stuff such as a woman openly speculating if she should put poison in her fanny to kill her husband and a bloke commenting on his own poo while he's sitting on the toilet. Read, laugh and be slightly concerned.

LATENIGHTMISTAKES.COM

The strength of this alcohol-fuelled website is in its very simplicity, in that it features lots of pictures of pissed up people doing really daft things – and what's not to like about that?

Remember something stupid you've done whilst drunk? The chances are that you'll be able to find someone else who has done the same thing at *latenightmistakes.com* – only they were unfortunate enough to have a bunch of vindictive 'friends' around them with a camera to take photographs of the grisly scene and upload them for all of cyberspace to see. Expect to find images of plastered people being sick and falling over in various places, hammered individuals who have been drawn on, covered in food and dressed up by their mischievous pals, and even boozy scantily-clad babes lezzing off.

If your partner regularly talks in their sleep, then the way we see it you've got several options. You could make them kip in the spare room, leave them for a sounder slumberer, or even hit them on the head with the bedside lamp whenever they start nattering on. Alternatively, you could have some fun with a potentially very annoying situation and do what Karen Slavick-Lennard does – record her partner's ramblings and post them on a website for all to hear. Random, irreverent, and often a little bit ratty, recent gems from Karen's fella include, 'Oh for fuck's sake. You'd lose your arse if it wasn't in-between your ears', and 'I'm scared of the power of your vagina. It can control whole armies!'. Thankfully, Karen sees the funny side – and hopefully so will you...

BOROKA

PHOTOGRAPHY: SCOTT WARD

We've come across some pretty rubbish pornstar names in our time here at *MensWorld*, but this Hungarian honey must have one of the most unattractive. We don't know what Boroka Balls – to use her full performing title – was thinking of when she plumped for that moniker. To us it sounds like either a Russian snack, a medieval torture device, or a particularly worrying testicular issue.

Honestly, why she couldn't have gone with something more conventional like Angel Delight or Princess Nympho-Tits we've got no idea, and it's a good thing that she's gorgeous to the extent that pretty much as soon as you've clapped eyes on her perky boobs and sexy little bottom her clunky name has ceased to be a major issue.

However, here at *MensWorld* we'd still really like her to change it, and we've decided to have a competition to decide on a new moniker for Boroka. Imagine that, you could be the reader who gives this sexy little minx the hot name that she deserves!

Answers on a postcard to: Renaming Boroka Balls Competition, 3rd Floor, 207 Old Street, London EC1V 9NR, or you can email us at: mensworld@paulraymond.com. Good luck!

Nursing half a pint of best bitter in the deepest, darkest recesses of the magazine, it's our self-opinionated beer-addled font of all knowledge…

Current Affairs Corner

Now I'm not usually one to get involved with idle speculation, but I couldn't help but notice that David Beckham's been in the wars again – Dave, the landlord, is always flicking around those bloody news channels.

I know he's got loads and money and a popstar missus and everything, but I'm starting to feel sorry for the poor bloke. If he isn't been ditched from the England team or getting injured for the World Cup, he's got people making some claim or other about him in the papers, or saying his new haircut looks rubbish.

This time, an American prostitute has apparently come out and said that she was part of a threesome with Becks, and that her and another girl got up to no good with him in a posh hotel in New York.

Honestly, I think he'd be better giving that football and fame lark up and saying bugger off to everyone. I mean, what's the point of having all that stress? He should do what I do and just sit in his local all day enjoying a few pints and a chinwag with the regulars. I might not have much, but at least I'm happy.

Well, apart from when the bitter goes off and I have to drink Guinness. That gets on my nerves a bit…

ONE FOR 'UP THE ARSE CORNER'.

Session Story

"I was reading one of those magazines you get free with the Sunday paper a few weeks ago, and I noticed an advert for a commemorative Battle of Britain plate. Well, I thought, that would look lovely on my mantelpiece, so I sent off a cheque straight away. Anyway, I should've bloody well had it posted here, to the pub, because when it arrived I wasn't in. The card the postman left said 12:38, which is usually about the time I'm enjoying my first pint of the day. So I had to go to the depot to collect my parcel, which is on the industrial estate on the edge of town, and the journey involved two buses and a walk. I queued up for ten minutes, only for a surly young man to grunt and fetch a box that rattled as he handed it over to me.

"I think it's broke," he said.

"Bloody right it is you silly sod," I replied, as I was really annoyed by now, and I chucked the package back to him and walked out. On my return journey, I got to thinking just how bad customer service is these days. Even Dave the Landlord musters a smile and a thanks every now and again!

I still haven't got my blasted plate either – £16.99 I paid for that, and it had a picture of a Spitfire on it!"
